## Additional Fees

Additional fees and surcharges may apply to MCF orders, which include the following:

<b>Lithium batteries</b>	<a href="#">Lithium batteries</a> and items that contain lithium batteries will incur an additional \$0.11 per unit to the base fulfillment fee.
<b>Block Amazon Logistics as a carrier</b>	If you <a href="#">block your MCF orders from being shipped by Amazon Logistics</a> , it will result in a 5% surcharge on your MCF orders. <sup>2</sup>
<b>Remote area delivery</b>	Any orders shipped to Alaska, Hawaii, Guam, Puerto Rico, and the Virgin Islands will include a remote area surcharge of 100% <sup>2</sup> for standard-size items and 200% for large bulky and extra-large items. <sup>2</sup>
<b>Other applicable non-fulfillment fees</b>	All non-fulfillment fees, like storage and labeling; or to inbound and remove your inventory from Amazon fulfillment centers, will continue to be the same as Fulfillment by Amazon (FBA). For more information, go to <a href="#">FBA features, services, and fees</a> .

<sup>2</sup>The surcharges for blocking Amazon Logistics or for remote area delivery are calculated after adding any applicable lithium battery fees to the item's base fulfillment fee.

## Product Size Tiers

Product size tiers are measurement categories based on the unit weight, product dimensions, and dimensional weight of a packaged item.

Product size tier	Shipping weight <sup>3</sup>	Longest side	Median side	Shortest side	Length + girth
<b>Small standard-size</b>	Up to 16 oz	Up to 15 inches	Up to 12 inches	Up to 0.75 inch	n/a
<b>Large standard-size</b>	Up to 20 lbs	Up to 18 inches	Up to 14 inches	Up to 8 inches	n/a
<b>Large bulky</b>	Up to 50 lbs	Up to 59 inches	Up to 33 inches	Up to 33 inches	Up to 130 inches
<b>Extra large: Up to 50 lbs</b>	Up to 50 lbs				
<b>Extra large: 50+ to 70 lbs</b>	50+ to 70 lbs				
<b>Extra large: 70+ to 150 lbs</b>	70+ to 150 lbs				
<b>Extra large: 150+ lbs</b>	Over 150 lbs				

<sup>3</sup>Shipping weight is the greater of unit weight or dimensional weight for determining size tiers.

## Storage Fees

Amazon charges monthly inventory storage fees for the space your inventory occupies in fulfillment centers. Storage fees are based on product type, size tier, time of year, and storage utilization ratio. For more information, see [monthly inventory storage fees](#) (login required).

### Non-dangerous goods products

Month	Standard-size	Large bulky & Extra large
January - September	\$0.78 per cubic foot	\$0.56 per cubic foot
October - December	\$2.40 per cubic foot	\$1.40 per cubic foot

### Dangerous goods products

Month	Standard-size	Large bulky & Extra large
January - September	\$0.99 per cubic foot	\$0.78 per cubic foot
October - December	\$3.63 per cubic foot	\$2.43 per cubic foot

### Values used to calculate fee

<b>Product size tier</b>	Product size tiers are measurement categories based on the unit weight, product dimensions, and dimensional weight of a packaged item. Learn how to <a href="#">determine your product-size tier</a> , or use the <a href="#">Monthly Storage Fees report</a> to see the size tier information for products you have previously stored in FBA.
<b>Current month</b>	Storage fees vary by time of year based on shopping seasons as outlined in the storage fee section above.
<b>Product volume</b>	Product dimensions and volume are measures of the product's size when fully packaged and ready to ship in accordance with <a href="#">FBA policies and requirements</a> . Monthly inventory storage fees are calculated by cubic foot. Use the <a href="#">Monthly Storage Fees report</a> to see the product volume for products you have previously stored with FBA.
<b>Average daily units</b>	Fees are based on the average number of units stored in FBA per month. Use the <a href="#">Monthly Storage Fees report</a> to see the average daily units for your products stored in FBA for previous months.
<b>Dangerous goods classification status</b>	Products that can be sold only through the <a href="#">FBA Dangerous Goods program</a> require special handling and storage. Use the <a href="#">look up an ASIN tool</a> to check the classification status of your ASIN and whether it requires enrollment in the FBA Dangerous Goods program.
